

# *Advent* *by Candlelight*

**Sunday, Nov. 26<sup>th</sup>, 2pm**  
for Women of All Ages

## *I just can't wait for Christmas!*

As a little girl, you undoubtedly felt this joy. But as an adult, when was the last time you relished in the thrill of anticipation? Advent by Candlelight is an opportunity for women of all ages to set aside the hustle and bustle of the holiday and rekindle the spirit of Christmas.

This year will feature a new spin on the traditional format. All women are encouraged to sign their names and that of any guests they wish to bring on the sign-up sheet in the church gathering area. There will be no assigned seating but rather the opportunity to sit with friends and make some new ones.

Hostesses will be responsible for decorating one table and serving the provided beverages to the eight guests at their table. If you're short on decorations, Sara Schaefer has plenty to share! Dessert will be potluck style and any guest or hostess may sign up to contribute.
