## **Want to EARN CASH for your family *and* your school?**

**Welcome to 2018-2019 SCRIP!!**

### **WHAT IS SCRIP?**

SCRIP is an easy way to earn rebates for both school and your family. You simply place orders in your family folder for gift cards where you normally spend money – grocery stores, gas stations, restaurants, and entertainment – and don't forget birthdays and Christmas. You pay face value for each card BUT you will earn a rebate on each card as well – half of that goes to Star and half goes to you (in cash or a tuition credit at the end of the school year). Each vendor determines the rebate percentage (listed on the order form).

- **Example:** You purchase a \$100 Pick 'n Save card and a \$50 Kwik Trip Card. Your total owed is \$150. You receive \$150 in gift cards. Your rebate is 4% for both of these retailers. You just earned \$3 (and Star earned \$3) and you only had to order gift cards!
