WELCOME!

Welcome to the *Wisconsin Lutheran Grade School Basketball Tournament*! We are pleased that you could be with us this weekend to enjoy the basketball talents of the Christian young people from our area WELS Churches and Schools. It is our sincere hope that many of the young people here this weekend will continue their Christian Education at WLHS in the future. It would be our privilege to continue the discipling that has begun in your homes and elementary schools, here on the secondary level at Wisconsin Lutheran. We hope that you have an enjoyable day and we wish your school the best of success!
Have a great tournament!

BE A SPORT!

One of the major objectives in offering participation in activities is to teach the lessons of good sportsmanship. Fair play, ethical behavior and a Christian spirit are three key ingredients in the education of our young people. Fans, players, parents and coaches must work together to create an atmosphere in which good sportsmanship is fostered. In addition to the efforts of our coaches and student-athletes, we offer some guidelines for our guests to help us educate the young people involved here today:

Your paid admission to this event entitles you to enjoy an exhibition of skills developed by these students in an educational setting. Please give these students your positive encouragement and support. Booing, taunting or intimidating the officials and opponents is unfriendly and unacceptable, and we trust the behavior you model will be a positive example for all involved. ***…"set an example for the believers in speech, in conduct, in love, in faith and in purity."*** *1 Timothy 4:12*

Wisconsin Lutheran High School and our participating WELS Grade Schools encourage you to support the efforts of all involved here today in a positive manner.
