

## Star Cents Summary for the 2017-18 School Year

Submitted by Nicole Marrari

**Box Tops for Education:** Star received a check for \$851.60!

**Moola Program through Kwik Trip:** We finally collected enough milk caps to cash in! Star will receive a check for \$59.05!

**Project A+ through Tyson:** Thanks for clipping and saving! \$34.98 is coming our way!

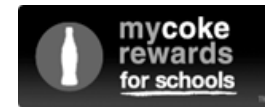

**Loaves 4 Learning:** We don't have enough of these labels to send in yet. Keep collecting!

**School Spirit:** We need quite a few more labels yet before we can submit.

**Coke Points:** The Coke Points pulled in \$98.88 this year!

### **NEW PROGRAMS:**

**Community Coffee** helps schools raise money by sending a check after at least 100 points have been collected. For every 100 points submitted, Star will receive \$10.00. Look for a new bin across from the school office.

**Entenmann's Little Bites and Mini Pouches Recycling Program.** Star will receive \$.02 a pouch once we send in at least 5 pounds worth of pouches. This bin is also located across from the school office.

### **DISCONTINUED PROGRAMS:**

We no longer collect aluminum tabs! Thank you for the many previous years of turning these in.

Planet Green Recycle has not been a profitable program for us and we have decided to end this program. Thank you all for your past support!

**We need coordinators to assist with tallying and sending in labels. Please email Nicole Marrari at [nicole060599@aol.com](mailto:nicole060599@aol.com) if you are interested in helping.**

**Most importantly, THANK YOU for taking that extra time to clip a label or save a cap and bring it to school. Your efforts make all the difference!**
