

Dear Greeter Volunteers,

Thank you again for volunteering to serve as a greeter and welcome to our new greeters. I'll will email the schedule to those for whom I have an email address, but I will also put a hard copy in everyone's mailbox this time along with a copy of the other volunteers should you need to contact someone to switch. If I need to update your email address please let me know.

This schedule only goes out 3 months, so there are some in the early service whose name does not appear. Not to worry - you aren't forgotten. We just have more names for early than spaces to schedule this time around. Once through this three months schedule, the Greeter, Usher and Sound Board schedules will all be on 4 month cycles of January to April, May to August, and September to December. If you have any questions please don't hesitate to ask.
