Preschool Love is the key. Jesus' love is great and constant. At Star of Bethlehem Preschool, that love of Jesus is expressed and felt daily in the classroom through Bible stories, singing, and social interaction. Star of Bethlehem Preschool provides a hands-on learning environment that develops large and small muscles, communication, number skills, and artistic talents. As a child experiences this preschool, he or she becomes better prepared to meet the demands of any progressive kindergarten program and becomes confident in his or her ability to do so.

Early Learning Center (ELC) ELC offers early learning experiences in a loving, caring, safe, and Christian setting. The program is for three- and four-year-olds who are enrolled in Star of Bethlehem Preschool and need care and/or additional learning opportunities outside of preschool hours. At Star's ELC we believe that children learn and develop through active play and hands-on learning. We exist to assist parents in nurturing the growth of their child not only socially, emotionally, and academically, but most importantly, spiritually. Each day is filled with structure, routine, and fun activities that complement our preschool curriculum.
