## Week of Sept. 26

**Word of God** – This week we will be learning the lessons about Joseph. We will see how God had a plan for Joseph, although this plan wasn't always clear to Joseph as he went through many hardships.

**Math** – Students will take a Unit Test on numbers 1-10. They will then begin a unit on measurement looking at height and weight.

**Reading** – We will continue to work with the /g/ sound this week.

**Science/Social Studies** – We will begin our unit on our world as we look at maps this week.

**Writing** – We will work on opinion writing.

### FIELD TRIP

Thanks to those parents who helped chaperone our field trip to the Fire station. We were able to walk to Malone Park later that afternoon and enjoy some fun playtime. If anyone has pictures from the field trip please share them with me. Our next field trip will take us to the Lindner pumpkin farm on Oct. 18<sup>th</sup>.
